

Converter USB 3.0 to SATA 6 Gb/s

Description

This Delock converter can be connected to your PC or notebook via USB port and enables the connection of HDDs, SSDs and other drives with SATA 22 pin interface. The SATA 6 Gb/s specification supports a higher data transfer rate, if your device complies with SATA 6 Gb/s and if the converter is connected to a USB 3.0 port of your system. The included power supply can be used for 3.5 SATA HDDs or optical drives.
